Re: Request for Determination & Approval: Minor Modification #2 to 200 Westboro Road
Wireless Facility (SP 2001-08) Sprint Spectrum LP (Applicant)

Dear Ms. Lavallee:

At its meeting on Monday, October 22, 2018, the Planning Board considered the request for minor modifications to the above referenced location and Special Permit as detailed in correspondence to the Planning Board from Jeffrey Barbadora, Real Estate Specialist, Crown Castle, 12 Gill Street, Suite 5800, Woburn, MA 01801, dated October 2, 2018 representing the Applicant.

The Applicant (Sprint Spectrum LP) proposes to remove and replace three (3) antennas inside the existing stealth mono-pole, remove six (6) cabled, install twelve (12) cables, and add six (6) remote radio heads on the existing equipment pad. There will be no modification to the existing antennas or the tower itself.

After review of the submitted testimony the Planning Board voted unanimously to grant the changes as minor modifications to the above referenced Special Permit in accordance with the provisions of Section 5.8.8 of the Grafton Zoning By-law. All other conditions of the referenced Special Permit remain in full force and effect.

Sincerely,

Joseph Laydon
